

GSA FCU is Celebrating Canned Food Month

February is National Canned Food Month, and the month where there is a downturn in giving. Join your GSA credit union in helping assist the less fortunate this month. Drop off canned food items to the main office located in room 1211, during lobby hours or in the adjacent ATM room anytime. Canned food donations will also be accepted at the GSA CU National Capital Region location, room 5021. Canned foods will be donated to Martha's Table.
