

SKIP-A-PAYMENT GIVES YOU EXTRA MONEY FOR THE HOLIDAYS

Skip into the holidays with a little extra money in your pocket. With our Skip-a-Payment program, you can defer one month's loan payment.* While you will still accrue interest on your loan, you'll be able to take the money you would have used to make your payment and use it instead to help with your holiday expenses.

If you normally make your loan payments through payroll deduction or direct deposit, we'll credit your account for the appropriate amount. There will also be a \$35 per loan processing fee deducted from your Share Savings Account.

If you would like to skip a payment for the months of November, December or January, please complete the request form below.

*Home Equity Loans, First Mortgage Loans, and delinquent loans are excluded from this offer.
