Dear Member,

GSA FCU was notified of a compromise of Home Depot's payment processing database. Your debit card may be at risk for unauthorized transactions. Please verify all purchases with your receipts and your credit union statement of transactions.

We have rigorous fraud detection systems and processes in place to monitor accounts 24 hours a day, 7 days a week for suspicious transactions. In order to protect your GSA FCU accounts, we will block your card and reissue a new one.

You should receive a new card within the next few days. This new card will have a different card number and you will receive a new pin. Since your card number will change, please contact any merchant who automatically debits your account with your debit card and notify them of this change.

We apologize for any inconvenience this may cause. We are making every effort to safeguard your account from unauthorized access. If you have any questions or concerns, please email us at gsafcu@gsa.gov.

Sincerely,

GSA Federal Credit Union
